## **U11 Girls Black FSA Turkey Shootout Champions**

Farmington, Ct: The U11 Girls Black headed to FSA's Turkey Shootout to start their winter indoor season. The girls coming off their recent U11 Fall League Championship doubled up their trophy case just 2 weeks after the Maple season ended. The team headed to the FSA hosted tournament with intention to get back to work with a "business as usual" attitude for the team. They did just that with an undefeated effort in the tournament with 4 wins and a tie. The girls utilized a balance attack that saw 8 different players score goals and 10 different players register points on the day. The defense that has proven through their play as a group that has proven to be difficult with giving up goals also did a good job of limiting teams to just 3 goals against (1 on a PK) posting 3 shut outs. The team will head into its winter training to continue its development with weekly training to gear up for their upcoming tournaments and indoor league play.
