U11 Girls Black League Champions!!

Ludlow, Ma: The Western Mass Jr. Pioneers U11 Black wins final game of league play to secure their place as the number 1 team in their grouping and named League Champions. The win will give the team a chance to compete in the top division "blue" for the U11 Spring season. The U11's will be joined by the other 5 top teams in league play plus 2 at large placements with the best overall record. This result keeps with the tradition and expectations of the club to be the best club in Western Mass. When Coach Meyer was asked he had this to say, "The girls really came together and bought into not only the system of play, but the mentality to play at the next level. I was really proud of their dedication to be the best team in Western Mass". The teams record speaks for itself, what the team took great pride in was leading the league in goals against with just 3 goals against all season as well as posting 6 shutouts in 9 games. The ladies also take great pride in that they were 2nd in the league for goals scored with 30 goals. In their play, 13 players registered points while 10 of 15 players tallied for goals. The team will have to continue to work on being a top 6 team in the state and will begin their indoor season to prepare for spring play by starting with the FSA Turkey Shootout continued with weekly indoor training, league play coupled with monthly tournaments.
